This booklet provides a list of MyAdvocate Medicare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and MyAdvocate Medicare Advantage plan formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under MyAdvocate Medicare Advantage plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/01/26. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside of our 21-county Nebraska service area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on network pharmacies outside the 21-county Nebraska service area or contact us.
If you have questions about any of the above, please see the front and back cover pages of this directory for information on how to contact us.

This directory is sectioned by: Page #

- Retail and chain pharmacies 3
- Long-term care pharmacies 11
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies 13

Retail and Chain Pharmacies
The state, county and city names divide the retail and chain pharmacies section so that it is easy for you to locate pharmacies. Pharmacies with a "+" symbol provide an extended day supply of medications. The mail order, home infusion, long-term care and I/T/U pharmacies sections are listed alphabetically by city name.

If you are speech or hearing impaired, call TTY: 711 to reach network pharmacies.

Mail Order Pharmacies
You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact the mail order pharmacy 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at (844) 504-5955 (TTY: 711)

Home infusion pharmacies
For more information on our network Home Infusion Pharmacies, please contact us by phone at (844) 504-5955 (TTY: 711) or or visit myadvocateMA. com/ pharmacy-and-drug-coverage.

Long-term care pharmacies
Residents of a long-term care facility may access their prescription drugs covered under MyAdvocate Medicare Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.

For more information regarding long-term care pharmacy services, members should contact Customer Service or refer to your Evidence of Coverage.

Indian Health Service/ Tribal/ Urban Indian Health Program (I/T/U) pharmacies
Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies through MyAdvocate Medicare Advantage's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

For more information regarding Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacy services, members should contact Customer Service or refer to your Evidence of Coverage.
